

Telehealth Informed Consent

Wise Mind Mental Health Clinic, LLC is providing an online resource for telehealth psychotherapy. All of the agreements from the general informed consent signed by patients at intake are still valid.

Additionally,

I understand that the Wise Mind telehealth platform (Doxy.me) is a Hipaa compliant resource, with encryption, no retention of any Personal Health Information, and discarding any residual video buffering traces.

I understand that Wise Mind Mental Health Clinic, LLC is not responsible for confidentiality in my environment. I am responsible for maintaining privacy in my environment, home, work, or other. I am encouraged to find a quiet and private place for telehealth sessions.

I understand that there are risks and limitations to telemental health. During transmission of my medical or mental health session; information could be disrupted or distorted by technical failures, the transmission of my medical or mental health information could be interrupted by unauthorized persons in my environment, and my treatment providers may have limited ability to respond to emergencies. In addition, I understand that telehealth based services and care may not be as complete as face-to-face services.

I understand that while Wise Mind Mental Health Clinic, LLC may have determined that my insurance company allows payment for telehealth services, it is still my responsibility to make sure that my specific benefits plan covers this service and I am still responsible for any co-pays or deductibles.
